Fatal accident at Baralaba North Coal Mine Queensland

Golding sincerely regrets to advise that there has been an accident early this morning that fatally injured one of our staff at the Baralaba North Coal Mine located in the Bowen Basin, Queensland.

Our thoughts and deepest sympathy are with the family and work mates of the deceased.

We are working closely with the Police and the Inspectorate and will provide a further update when possible.

All operations have been ceased at the mine until further notice.
