

# ROAD AND DRAINAGE WORKS UNDER NDRRA

## PROJECT SUMMARY

In July 2016, Rockhampton Regional Council engaged Golding to restore road and drainage infrastructure damaged by Tropical Cyclone Marcia in February 2015.

The works were concentrated on approximately 300 streets in the urban areas of Rockhampton, Gracemere and Mount Morgan. In addition to the NDRRA restoration works, a number of culvert and road improvements works were undertaken as "Betterment Works" on Kerrigan Street, Frenchville Road and Rockonia Road.
